

NAPERVILLE CENTRAL ATHLETIC BOOSTER CLUB

Show Your Redhawk Pride!

We are pleased to offer you this opportunity to be part of the Naperville Central Athletic Booster Club. It is the mission of the Booster Club to help support the Athletic Department and to be involved with all of our 25 major sports.

The Booster Club supplements the Athletic Department budget, and in the past has purchased warm-ups, uniforms, practice equipment, soccer goals, and wireless headphones for coaches, sound system, and much more. This past year the club provided close to \$35,000 in funding as a supplement to the athletic department budget for these items, for various teams in need. For a complete listing, please visit our website. We also contributed \$100,000 to help build our new concession stand.

The club also provides a banquet for our senior athletes as well as scholarships for Redhawk pride! In addition, we have a special fund available for athletes that need financial assistance. This fund is called "The Rick Jeffers Redhawk Fund" and is memory of Rick Jeffers who was a very active Booster Club member who died 2 years ago.

If your child is an athlete at NCHS, then you need to become a member of the NCHS Booster Club. This club belongs to the parents of our athletes. New members bring new ideas and we want to hear from you. Please join and attend the general meetings, held on the 2nd Wednesday of each month, during the school year. Our meetings feature a coach or a guest speaker, along with our regular business discussions.

Your \$35 membership and some of your time and talent are greatly needed to continue the Booster Club's great tradition of enriching the NCHS experience for your student. Please join us in the fall as we watch our athletes compete on our beautiful new turf field and track. Show your Redhawk Pride by wearing Red to all of the games.

Please complete this form, **front and back**, and return it, along with your check, to become a member. Please email me if you're interested in a more active volunteer role with the Booster club. Thank you.
